He explains with flair how the traditions, festivals, rituals and philosophies pertain to present life and deliver immeasurable value, if followed with understanding. He cuts through myth and superstition and works to take forward the inspiration and knowledge that the ancients left behind for us to discover. He shows easily how those traditions are truly applicable in every phase of human development, since they are based on the human being’s involvement in all natural phenomena. It is clear that our times are most urgently in need of such guidance. It is Dr. Tambe’s passion and mission that this way of life should bring about progress at material, psychological and spiritual levels, everywhere. View Complete Details Interested in this product?
